

TASSELS

To make a tassel, cut a piece of cardboard to the finished length of the tassel you wish to make.

1. Wind yarn (closely together) around cardboard to desired tassel thickness. Clip yarn approx. 20cm from tassel and thread this through a wool needle. Slip needle under all strands along one side of cardboard and tie a knot securely near the strands. (This yarn can be used to attach the tassel to your item when tassel is complete).

2. Cut the strands on the opposite side of the cardboard to the tie made in step 1.

3. Cut a separate piece of yarn approx. 30cm long. Wrap tightly below top knot to secure strands. Hold firmly and thread end onto wool needle. Pull end to centre of tassel and clip close to tassel. Trim tassel ends evenly.
