TO MAKE UP

Join left shoulder and Neckband seam. Measure down **13** (14-15-17-18) cm from shoulder seams on each side of Back and Front and tie a coloured thread. Placing centre of sleeve top to shoulder seam, sew in sleeves evenly between coloured threads. Join side and sleeve seams. Sew in ends.

MATTRESS STITCH SEAM

With right sides of knitting facing up and pieces side by side, insert wool needle from wrong side, between edge stitch and next stitch in first row. Insert needle from right side between same stitches on other piece then pass needle under 2 rows bringing it up to front again. Insert wool needle down in same space that last stitch on first piece came out of, pass needle under 2 rows bringing it up to front as before.

Swap from side to side always placing needle in same space that the last stitch came out of. Do not pull too tightly – the seam should be as elastic as the fabric it joins.

K2TOG – KNIT 2 STITCHES TOGETHER DECREASE

Insert the right-hand needle through 2 stitches together instead of one (beginning with the second stitch on the left-hand needle, then through the first stitch) and knit in the usual manner.

This is written as K2tog, which means knit 2 stitches together.

Working 'K2tog' will decrease your stitch count by one.

INC – INCREASE

Knit next stitch as usual, but do not slip stitch off left-hand needle.

Knit into back of same stitch on left-hand needle, slipping stitch off needle. Two stitches have been made out of one stitch.
