TO MAKE UP

Fold 6 stitches of garter band at front edge of Hood to right side and oversew lower edges.

Using Mattress stitch, join side edges to form back seam. Placing seam at centre back neck, join Hood to neck between stitches cast off for front bands, easing to fit. Join sleeve seams. Sew on buttons.

MATTRESS STITCH SEAM

With right sides facing up and edges side by side, insert wool needle from wrong side, between edge stitch and next stitch in first row. Insert needle from right side between same stitches on other edge then pass needle under 2 rows bringing it up to front again. Insert wool needle down in same space that last stitch on first edge came out of, pass needle under 2 rows bringing it up to front as before. Swap from side to side always placing needle in same space that the last stitch came out of. Do not pull too tightly – the seam should be as elastic as the knitting.
