Using left needle, pick up loop which lies before next stitch from front of work.

Knit into back of this loop to twist it and help minimise the hole created.  
One stitch has been created.

#### MATTRESS STITCH SEAM

With right sides facing up and pieces side by side, insert wool needle from wrong side, between edge stitch and next stitch in first row. Insert needle from right side between same stitches on other piece then pass needle under 2 rows bringing it up to front again. Insert wool needle down in same space that last stitch on first piece came out of, pass needle under 2 rows bringing it up to front as before. Swap from side to side always placing needle in same space that the last stitch came out of. Do not pull too tightly – the seam should be as elastic as the knitting.
