

# Felted Bangle

## MEASUREMENTS

|                              |    | S     | L     |
|------------------------------|----|-------|-------|
| Inner circumference (approx) | cm | 14-16 | 17-20 |

## MATERIALS

### CLECKHEATON CALIFORNIA 8 PLY 100g balls

1 ball makes several bangles.

Use only the yarn specified. Other yarns might not felt.

## NEEDLES, HOOK AND EXTRAS

- 1 pair 3.75mm knitting needles.
- wool needle for sewing seam.
- matching thread and sewing needle..

## TENSION

Correct tension is not essential for this bangle.

For abbreviations and more information on knitting techniques, please see [cleckheaton.com.au](http://cleckheaton.com.au)

## BANGLE

Using 3.75mm needles, cast on **50** (65) sts.

**1st row** - Knit.

**2nd row** - Purl.

Rep last 2 rows (stocking st) until work measures 18cm from beg, ending with a purl row.

Cast off loosely, leaving a long end for sewing up.

## TO MAKE UP

Using mattress stitch, sew side edges together using yarn to form a tube. Slip piece of soft plastic into tube, then using needle and thread, tack in place (this prevents inside of tube felting to itself). Felt thoroughly by hand or machine. Remove tacking and plastic. While still damp, roll up with cast-off edge in the centre. Block to shape by placing bangle over a bottle to dry (if desired, bangle can be stretched slightly at this stage by using a larger bottle). Using needle and thread, slip-stitch cast-on edge in position. Roll seam to inside of bangle.
