- wool needle for sewing in ends.

## Tension

Correct tension is not essential for this Scarf.

## Abbreviations

**K** = knit; **tog** = together; **yfwd** = yarn forward – bring yarn under needle then over into knitting position again, making a stitch.

**Twist** = with yarn at back, insert right-hand needle into back loop of next stitch purlwise (from left to right), slip stitch to right-hand needle, then inserting point of left-hand needle into front of this stitch, knit.

## Both Styles

### Notes –

1. Pom poms will fall randomly on both sides of the scarf – if you prefer all pom poms to be on one side, manipulate each pom pom to the desired side as you knit.
2. Due to the chenille style of this yarn, we recommend gently stretching the scarf lengthways every few rows to lock the stitches in place.

## STYLE A – Twist Stitch
