PATONS RAINBOW 8 PLY 200g balls

Quantity (colour 257)	2	2	2	2	2
-----------------------	---	---	---	---	---

Use only the yarn specified. Other yarns are likely to produce different results.

Quantities are approximate as they can vary between knitters.

Check the ball bands to ensure all yarn is from the same dye lot.

COLOUR NOTE – Due to Rainbow's unique manufacturing process, each of the colours of Rainbow have a random, ever changing appearance. This means balls in the same dyelot may not look the same. If more than 1 ball is required for a project, select balls that look similar on the outer surface if possible. Work from one ball only when using Rainbow or the unique rainbow appearance will disappear. Be aware that the colour effect pictured may vary.
