

POM POMS

Pom pom makers can be bought at yarn stores, or pom poms can be made by using cardboard & following the easy steps below.

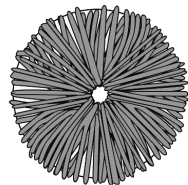

1. Cut out two circles of cardboard for your pom pon. Cut the hole in the centre of both circles (the diameter of the hole should be $\frac{1}{4}$ the diameter of the circle).

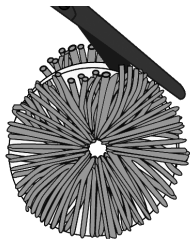

2. Put the two circles together and wind yarn round and round the cardboard.

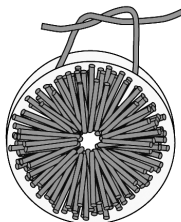

3. Keep winding until the centre hole is completely filled up.

4. Place the point of a pair of scissors between the two circles of cardboard and cut around the yarn, keeping the scissors between the circles all the time.

5. Using a strand of yarn, wrap it round between the two circles of cardboard, knot firmly and take away the cardboard.

6. Trim the pom pom.
